

The Indiana District Employee Association Is Your Association!

Our mission is to enhance local conservation programs through a network which provides leadership, support, and education for its members and other District Employees.

All District Employees have a direct impact on the landscape of Indiana. Regardless of positions held, you carry out the vision of SWCD Supervisors, Local Officials, and the Indiana Conservation Partnership. Working together each of you brings natural resource education and protection to your county and to Indiana. Your dedication is outstanding.
